STATE OF DELAWARE DEPARTMENT OF INSURANCE

Form SL-1925-Q SURPLUS LINES BROKER QUARTERLY PREMIUM TAX SUMMARY REPORT FOR THE CALENDAR YEAR 2014 GENERAL INSTRUCTIONS

<u>INFORMATION REGARDING CHANGES TO THIS FORM:</u> During the 147th General Assembly, the Delaware Legislature passed House Bill 213 with House Amendment 1, which changed the amount of tax payable on surplus lines policies, from a 2% tax to a 3% tax (18 Del. C. §1925 (b)). Delaware Governor Jack Markell signed the bill into law on July 30, 2014. This tax rate increase affects all business written with nonadmitted insurers covering risks for which Delaware is the home state of the insured, including new and renewal business as well as endorsements to existing business.

The 3% tax rate is effective as of July 30, 2014. All premiums charged for surplus lines policies with an effective date after July 30, 2014, shall be taxed at 3%. All premiums charged for surplus lines business with an effective date on or before July 30, 2014, shall be taxed at the former 2% rate.

Those policies effective before and during July 2014 and taxed at the 2% tax rate, must be reported separately from policies effective after July 30 and taxed at the 3% tax rate.

THIS SL-1925-Q QUARTERLY TAX REPORTING FORM HAS BEEN CHANGED BY THE DELAWARE DEPARTMENT OF INSURANCE TO ALLOW SURPLUS LINES BROKERS TO REPORT BUSINESS SEPARATELY BASED ON TAX RATE AND PAY THE CORRECT AMOUNT OF PREMIUM TAX. THE FOLLOWING INSTRUCTIONS APPLY TO BOTH PARTS OF THE FORM. USE PART I TO REPORT PREMIUMS TAXED AT 3%. USE PART II TO CALCULATE THE TOTAL AMOUNT DUE.

The federal Nonadmitted and Reinsurance Reform Act of 2010 ("NRRA") became effective on July 21, 2011, and placed surplus lines taxation, regulation, and licensing authority under the exclusive oversight of the home state of the insured (see 18 *Del. C.* §1904(a)(9) for definition of home state). Delaware's surplus lines law, Title 18, Chapter 19 was changed to conform to the NRRA. These changes apply to all surplus lines policies with an effective date on or after July 21, 2011.

PREMIUM TAX IS DUE ON 100% OF THE POLICY PREMIUM, INCLUDING FEES, WHEN DELAWARE IS THE HOME STATE OF THE INSURED.

In accordance with 18 *Del. C.* §1925 and §1926, if Delaware is determined to be the home state of the insured, the entire policy premium must be reported to Delaware, and the amount of tax paid to Delaware must be calculated on the entire premium for the policy, not just the portion that applies to risks located within Delaware as was stipulated under the old surplus lines law. This is especially important in the case of a policy with risks in more than one state.

For policies written after July 21, 2011, DO NOT report premiums on this form <u>unless Delaware is the home state of the insured</u>. If Delaware is not the home state of the insured, premiums should be reported and taxes paid <u>only</u> to the state that is the home state of the insured.
